

# Team Building & Staff Development At **ULTRAZONE** Pepsi "Owns the Zone"

The Pepsi Sales Team enjoyed the camaraderie of the ULTRAZONE Team Building Program in conjunction with the roll-out of Pepsi's product...Pepsi Blue.

Group event participants first gather in the ULTRAZONE courtyard party area. A special orientation in the "Briefing Room" allows guests to get a feel for ULTRAZONE's state of the art equipment, game play, and multi-level arena. Pictured above the teams are assembled in the Vesting Room "suited up" with their individual laser tag packs.

One of Pepsi's top teams gathers outside ULTRAZONE's main entrance for a special "ZONE Moment".

Teams receive instant end-of-game results. As scores are posted on the huge lobby monitor, the winning team reacts with a victory celebration. Each participant receives a personalized comprehensive scorecard detailing their performance, and outlining the play of all the other players in the game

ULTRAZONE'S comfortable group event and party area provides ample space for major groups or smaller committee meetings. Catering is easily accommodated. Free parking is just a few feet away.
